pest control
SHIELD PRO
Protection starts at home.
Comfort in every season.
Your home
Your peace of mind
Every season

Protection built around your home.

Your family, pets and lifestyle matter. UBug Me Shield Pro brings practical prevention and a personalized approach to pest control.

A smarter approach to pest management.

Your technician uses Integrated Pest Management techniques to identify concerns, recommend preventive steps and address pest activity around your home.

More comfort. More peace of mind.

Local knowledge. Personal service.

We work with you to understand your home and the pest challenges around it.

The Shield Pro approach

- A plan tailored to your home
- Routine preventive service
- Interior and exterior attention
- Practical prevention advice
- Appointments coordinated with you

HOME. FAMILY. PROTECTED.
